
Dear Members,

As we wrap up the year, I want to express how meaningful this year has been for the Alaska ACP Chapter. It has been an honor to serve as the Alaska Chapter's Governor, and I'm preparing to soon hand the reins over to Dr. Kristin Mitchell, who will take the lead with great enthusiasm and vision.

I'm excited to share updates and upcoming activities from the Alaska ACP Chapter. We've had a productive year and look forward to more growth and engagement in 2025. We are collaborating with other chapters in the Pacific region to create a webinar series packed with engaging topics as part of our commitment to high-quality educational resources and fostering a strong medical community.
