

Chief Resident Guide: Supporting Fellowship Application PGY3

First 2 Weeks of the Academic Year:

Routinely check in with PGY3s applying for fellowship about their ERAS application status.

Early July:

- (1) Remind PGY3s to have their application completed by the day that submissions go live.
- (2) Remind all fellowship applicants about policies surrounding scheduling and coverage for fellowship interviews.
- (3) Set strict deadlines with sufficient backups.
- (4) Remind all fellowship applicants the day ERAS allows submissions to begin.

Remind all applicants about the Rank Order List deadline.
